General Comment

I have been advised that this proposed rule/regulation will eliminate my ability to sell covered calls on my IRA accounts. I believe that I should have the ability to trade options in my retirement accounts, to maximize the value of my IRA's. I have taken the time to learn the intricacies of option trading, and it would be unfair to eliminate my ability to use options as an investment tool, in managing my IRA's. Please do not adopt this proposed new rule/regulation.
